

## **SNSF Mobility Fellowships Doc.Mobility and Early Postdoc.Mobility**

### **General information**

#### **Submission Deadlines**

---

Deadlines for first applications and for extensions of Doc.Mobility Fellowships:

**1<sup>st</sup> March and 1<sup>st</sup> September**

Decision: three months after the application deadline

Start of the fellowship: at the earliest four months after the application deadline

#### **Submission**

---

Application documents are submitted electronically via *mySNF*: [www.snf.ch](http://www.snf.ch) > *mySNF*.

To access *mySNF*, a user account is necessary. New user accounts must be requested 2 weeks before the deadline at the latest.

The members of the SNSF Research Committee of the University of Zurich will have online access to the electronic data.

**Please note that it will not be possible to apply for extensions of Early Postdoc.Mobility fellowships. A prolongation of the stay may be requested via a Postdoc.Mobility fellowship.**

## Talks with the faculty committee member

### First applications

---

The members of the SNSF Research Committee of the University of Zurich evaluate the applications and contact the applicants for an introductory discussion.

The applicants will be contacted and invited by the committee member in charge directly.

### Follow-up proposals

---

As a general rule, applicants for extensions of Doc.Mobility Fellowships won't be invited again.
