

Privatdozenten-Stiftung

This foundation supports researchers of the University of Zurich.
The UZH Graduate Campus is responsible for the administration.

Mission	<p>The Privatdozenten-Stiftung supports private docents („Privatdozierende“) and adjunct professors (“Titularprofessoren*innen“) of the University of Zurich.</p> <p>Contributions up to CHF 10,000.- are granted for specific costs of projects that lead to a publication (e.g. costs for publishing and printing, travelling and congress costs). In case of publications, Open Access publication is required. If no Open Access option is possible, a secondary publication must be deposited in the Zurich Open Repository and Archive (ZORA). If this is also not possible, please provide a justification.</p> <p>Salary costs and expenses for infrastructure are not covered.</p>
